We received feedback from previous years and have some guidance we wish to pass on -

- All participants of any entry under the age of 18, must be with a responsible adult AT ALL TIMES.
- Please take all your litter with you and do not leave it at the starting point.
- Feel free to have a look at the other floats before the procession but please ensure you do not obstruct the setting up of other floats and compromise the health and safety of others.
- As part of the agreement that Class F participants (Majorettes) get free entry, we ask at least 2 of your adults walking with you use our collection buckets to collect for our charities.

The procession moves off at 6-00pm prompt

The organisers would appreciate the early return of the entry form by 5pm on Friday 9th August 2024.

Class letters for judging will be provided via Email after receipt of entry form, shortly before procession date.

These **must** be displayed on the vehicle windscreen to enable you to be placed in the correct class for judging.

Please read the attached rules before submitting application form.

Yours sincerely
